Dom Pérignon

Dom Pérignon has mastered the art of assemblage. By selecting only the best grapes from a single year, the maison upholds the method discovered by Benedictine monk Dom Pierre Pérignon to create breathtakingly distinctive, fresh and intense Champagne.

Overseen by the Cellar Master, the Maison ensures each vintage is only disgorged once it has reached its plénitude – a peak level of expression. The first occurs after around nine years and the second (“P2”) approximately seven years later.

Château Mouton Rothschild.

After a first initiative, ahead of its time, with the poster artist Jean Carlu in 1924, Baron Philippe waited until 1945 to finally establish a tradition that would henceforth become the visual hallmark of Mouton Rothschild.

From one label to another, Mouton Rothschild has thus brought together some of the most celebrated artists of their day, including Miró, Chagall, Braque, Picasso, Tàpies, Francis Bacon, Dali, Balthus, Jeff Koons and even Prince Charles, the Prince of Wales.

The artists have complete freedom of creation, though certain themes, such as the vine, the pleasure of drinking and the ram, the Mouton Rothschild emblem, have proved a particularly rich source of inspiration.

“Lafite has a soul, a beautiful, generous, kindly soul. Lafite turns bare earth into heaven. Lafite is harmony, a harmony between man and nature, because without our magnificent winegrowers, nothing would be accomplished.”

Baron Eric de Rothschild

In 1815, Guillaume Lawton said of Château Lafite, “I consider it to be the most elegant and delicate, with the finest substance of the three (Premier Crus). The location of its vines is one of the finest in the Médoc”. In 1855 the Château was ranked as a Premier Grand Cru in the famous classification that was prepared for the Universal Exhibition of that year.

Château Lafite Rothschild’s second wine, Carruades de Lafite presents similar characteristics to the Grand Vin, but with its own personality linked to a higher proportion of Merlot and to specific plots that are used to produce Carruades. The name comes from the Carruades plateau, a group of plots acquired in 1845 just next to the vines on the Château hilltop.

DOMAINE DE LA ROMANÉE-CONTI

Domaine de la Romanée Conti is co-owned by the de Villaine and Leroy/Roch families, the former successors to Jacques-Marie Duvault Blochet who bought the vineyard of La Romanée Conti in 1869, the latter since acquiring the shares of other descendants of Duvault-Bloch in 1942. The Domaine is today run by Aubert de Villaine and Henri-Frederic Roch. Many people in Burgundy just refer to 'DRC' as "the Domaine".
